- **Submission:** Sept. 24, 11:59pm PST, 2008
- **Notification:** Nov. 25, 2008
- **Camera-Ready:** Dec. 20, 2008

## GENERAL INFORMATION:

Original research papers on all technical aspects of public key cryptography are solicited for submission to PKC 2009, the 12-th International Workshop on Practice and Theory in Public Key Cryptography.

## SUBMISSION INSTRUCTIONS:

Submissions must not substantially duplicate work that any of the authors has published in a journal or a conference/workshop with proceedings, or has submitted/ is planning to submit before the author notification deadline to other conferences/workshops that have proceedings. Parallel submissions will be immediately rejected and the names of the authors involved will be shared with other conference in the field.

Each submission must be:

- At most **14 pages**, not including references and appendices, in 11pt font and with **reasonable margins**.
- Intelligible and self-contained without appendices (reviewers are not required to read them).
- Anonymous: no author names, affiliations, acknowledgments, or obvious references.

Submissions not meeting these criteria will be rejected.

If a submission is accepted, one of the authors is expected to present the paper at the workshop. Further submission instructions and an electronic submission portal are on the PKC'09 web page: <http://www.ics.uci.edu/~pkc09/>
