

Conference on Cryptographic Hardware and Embedded Systems **CHES 2016**

UC Santa Barbara,
August 17-19, 2016

Call for Sponsors

CHES is the leading conference on hardware security and the largest international cryptography conference. CHES covers new results in design and analysis of cryptographic hardware and software. CHES conference provides a valuable connection between research and engineering communities.

CHES 2016 at UCSB will provide special visibility for the sponsors since it is held in conjunction with **Crypto 2016**.

We believe that it is of great benefit for your company to be associated with the workshop in order to gain the international visibility and recognition your company deserves. **There are multiple ways for being involved with CHES 2016.** Please select one or more sponsorship categories from the list below, or simply contact the workshop co-chairs to discuss additional exciting ways in which you can introduce your company to the audience and contribute to the success of the workshop.

- **Basic Sponsor: \$2,500** – Workshop Sponsors will have their logo and URL displayed on the CHES web site and in conference promotional materials. Sponsors will also be able to provide their brochures for inclusion in the workshop participant materials.
- **Small Exhibitor: \$5,000** – In addition to the Basic Sponsor benefits, we will provide a table (without electrical power) for your company, in a first-come first-serve basis.
- **Gold Sponsor: \$10,000** – In addition to the Basic Sponsor and Exhibitor benefits, we will prominently display company logo and express acknowledgements during conference introductions. There are additional benefits such as a larger exhibition space with electrical power – specifics can be discussed with the General Chair(s).
