

DESTINATION: [Buenos Aires.](#)

DESCRIPTION: DINNER & SHOW at LA VENTANA.

In Argentina, Tango is the typical folk music. Even though Carlos Gardel is the soul of Tango, people such as Astor Piazzolla, Mariano Mores, Aníbal Troilo and Juan de Dios Filiberto, among others, have immortalized it even more. What started as a forbidden style of music, given its high quota of sensuality and passion, is now the image of the porteño identity.

Net Price per person in regular services USD 60.
